Education

Saginaw Valley State University

B.S. in Computer Science, CGPA: 3.53

University Center, MI, United States

Anticipated Graduation: May 2025

Finlandia University

Graphic Design Career Tech Education

Hancock, MI, United States

Sept 2019 – Dec 2020

Experience

Student Research Assistant

Saginaw Valley State University

Sept 2022 – March 2023

University Center, MI

- Assisted a professor on a survey paper on an overview of cybersecurity attacks, trends, prediction, and detection.

Small Business Website

The Wood'n Spoon LLC

Aug 2022 – Present

Mohawk, MI

- Consulted with a Michigan small business owner on the rework and redesign of their website.

Projects & Competitions

NASA Robotics Mining Competition – Lunabotics

Saginaw Valley State University

Jan 2022 – May 2022

University Center, MI

- Assisted in object detection using deep learning and collected/labeled image data.
- Engaged in community outreach by presenting to a FIRST Robotics team about our project.

Junior Science and Humanities Symposium

Michigan Technological University

June 2018 – May 2020

Houghton, MI

- Conducted a research project on "The Effects of Nitrogen deposition on a hardwood forest in Michigan's Upper Peninsula", where I placed 3rd at the regional competition and qualified for the national competition.
- Conducted a research project on "Testing for The Presence of Drosophila Suzukii (SWD) and Berry Perceptions in Michigan's Upper Peninsula", where I placed 3rd nationally in the Life Science category.

President – FIRST Robotics

Lake Linden-Hubbell High School

Sept 2017 – May 2021

Lake Linden, MI

- Led my team in the design, construction and programming of a robot used at two regional competitions annually.

Activities & Involvements

President – Association of Computing Machinery

Saginaw Valley State University

March 2022 – Present

University Center, MI

- Assisted in the planning of weekly meetings and organized a High School Programming Competition that over 150 students participated in.

General Member – Google Developers Student Club

Saginaw Valley State University

Aug 2022 – Present

University Center, MI

- Participated in weekly machine learning workshops to engage in hands-on experience in image processing and various neural network techniques (primarily Convolutional Neural Network).

Skills

Languages: Java, JavaScript, HTML5, CSS, Python, R, SQL, LaTeX, Visual Basic.NET

Developer Tools: GitHub, Minitab, Adobe Suites: Illustrator, Photoshop, & InDesign, Figma
